Contract, MTN PayAsYouGo Terms and Conditions Inclusive airtime value, call rates and prices shown include VAT. Terms and Conditions of MTN and MTN Service Provider apply. Offers valid from 15/02/2013 to 28/02/2013 or while stocks last. Images of devices may differ from actual product delivery. PayAsYouGo offers are subject to in-store activation of an MTN starter pack. On all MTN AnyTime packages, one in-bundle rate applies to all networks, any time of the day. Call rates indicated refer to the in-bundle call rate. Deals are subject to conclusion of a new 24-month contract, handset/device and SIM stock availability. In terms of the Amended Regulation of Interception of Communications and Provision of Communication-related Information Act 70 of 2002 ("RICA"), you are obliged to provide proof of your full names, surname, ID number and residential address (via your identity document and an original utility bill) to a RICA officer in order to have your SIM card activated on the MTN network. MTN is obliged by law not to activate your SIM card on the MTN network if you have not complied with the RICA registration requirements. SIM and Connection fee is charged as a once-off fee, unless otherwise stated. Contract subscription billed one month in advance. Itemised Billing (R19.00 pm) is optional on all contracts shown. Line Identity (CLI) (R8pm) is mandatory and is included in the monthly subscriptions shown. All data sessions are charged at a minimum of R0.02 (excluding VAT). Data speeds depend on the capability of the data device used and the capability and capacity of the network in any given location and time. The stated data rates are only applicable in South Africa. F@stLink USB modems automatically install when using Windows 2000, Windows XP, Windows Vista or Mac OS X. Additional software may be required for other operating systems. F@stLink modems require a USB 2.0 port. Prices subject to change and the price advised in-store will be the final applicable price.
